Contact log: **Comment:** CM called to advise that her neighbour has installed a camera in his garden, which spans a section of her garden, and this means that he will be able to see the childminded children on his phone. As this is a safeguarding concern, I advised CM to call LADO. CM advised that LADO has told her to contact the local police.

Comment: CM text to advise that the community police officer is going to advise the neighbour to reposition the camera. I advised CM to record all this information.
