**Contact log:** **Comment:** I returned Miriam's call. She wanted to inform about an incident on 28th September unrelated to her childminding business. A passer by on her road had witnessed a child being slapped by a man (outside Miriam's house) and he had informed the police. The police called on Miriam's door to follow up the matter. Miriam has been given a case ref number. Advised to log the incident and ref number as good practice.
