Contact log: **Comment:** CM called to ask how to set up as a FEEE provider. I advised her that she was set up in November. She advised that she has been minding a 3 year old since September 2017, who is splitting her 30 hours between the CM and Gwynn Jones. She said that the parental declaration form has been completed, however she has never notified the office of this child starting, and therefore has never received a headcount form, and has never been paid by the LA. I advised her to send the child's information, as well as her eligibility code to Marc.
