Contact log: **Comment:** Asked CM if she had sent FEEE contracts back to office. She responded that she has decided not to register as a FEEE provider now, as she is planning to reduce her working days in a year's time. She advised that she is on line and on top of requirements, so does not need support. Advised that it would be a good idea to send the contracts/vendor form back in order to complete the process - even if she does not plan to take on FEEE children currently. CM responded that she has thought about it, and has decided to pull out.
