

Schools Forum (reserved)

Date Wed, 08 Mar 2017 17:30 - 19:30

Description Waltham Forest Schools Forum has an important role under the school funding arrangements introduced in April 2006. It has a consultative role in relation to the local distribution of school funding and it is also able to decide on certain proposals from the local authority which currently have to go to the Secretary of State for decision. Further information about Waltham Forest's Schools Forum and details of the next meeting can be found on the Waltham Forest Council website.
