

Observation, Assessment and Planning for PVI/Schools

Date Thu, 15 Dec 2016 09:30 - 12:30

Description

The course will:

- Provide practitioners with opportunities to practice using a range of effective observation methods.
- Explore ways of setting up enabling environments that support child initiated and adult learning.
- Support practitioners in using children's interests and next steps as the starting points for purposeful planning.
- Explore ways of involving parents and children in the observation, assessment and planning process.
- Support practitioners in how to evaluate children's progress and use this information to improve outcomes.

Venue Waltham Forest College, Forest Road, Walthamstow, London E17 4JB

Name Early Years Teaching and Learning Support
