- using different outdoor environments as a context for developing thinking skills.
- the use of natural materials to enhance outdoor learning.
- developing imagination and creativity.
- active problem solving.
- the benefits of and need for risk taking.

Venue Suntrap Forest Education Centre, Church Road, High Beach, Loughton, Essex, IG10 4AJ

Name Early Years Teaching and Learning Support

BookingInfo

For more details and information on the session, please contact Kerry Rolison at kerry.rolison@walthamforest.gov.uk or phone 020 8508 0611 or Elisha Brett at elisha.brett@walthamforest.gov.uk or phone 07773 046322. For general booking queries and information, please contact Howard Gladwin at <mailto:howard.gladwin@walthamforest.gov.uk> or phone 020 8496 5126.

Outline

A range of practical activities to enable Childminders to develop their outdoor play provision, linking to areas of learning and development in the statutory framework.

Outcome

What are the planned outcomes for the delegate?

- To broaden and deepen understanding of effective outdoor learning experiences for children.
- To help participants make the most of their local area as a place for learning.
- To demonstrate a range of all-weather activities which can be easily set up using low cost, scrap or natural materials that enable open-ended play outdoors.

The presentation used for this training course is available to download from this page if you are logged-in on The Hub or WF Online.

Audience Priority will be given to Childminders, however, Early Years Practitioners from Schools and PVI's are also welcome to apply
