Outline

The Early Help Service works in partnership with other professionals, parents and carers to intervene early in a child's life to ensure that children have the best start in life. The service works with families that need additional help, to enable them to access this support when they need it. The aim is to address problems at the earliest opportunity - before they can escalate - and to enable families to support their children to reach their full potential.

Outcome

Audience Aimed at DSLs, SENCOs, Learning mentors, attendance leads, family liaison workers etc.
