

Making Sense of Autism

Date Fri, 28 Apr 2017 09:30 - 11:30

Description It will support participants to:

- Identify the four key areas of difference that need to be taken into account.
- Know the importance of understanding the individual pupil and their profile of strengths and areas for development.
- Identify the key areas to help pupils on the autism spectrum build positive relationships with staff, peers, families and people in their community.
- Develop an awareness of the sensory and communication differences that pupils may experience.

Venue Whitefield Research and Development Centre (MAIN / Main room), Macdonald Road, Walthamstow, London, E17 4AZ
