

## Freedom of Information

### Make a Freedom of Information request

The [Freedom of Information Act 2000](#) (FOI) provides a general right of access to all types of "recorded" information held by the council.

Waltham Forest strives to maintain a culture of honest, open, decision making. The council recognises the importance of public awareness of decisions made by the Council, and sees the Freedom of Information Act as a means of contributing towards this awareness.

For more information about making a request for information under the Freedom of Information Act, please visit the [https://walthamforest.gov.uk/content/make-freedom-information-request" target="\\_blank](https://walthamforest.gov.uk/content/make-freedom-information-request).
