

LBWF School Business Managers Network

Date Tue, 04 Jul 2017 09:00 - 12:00

Description In response to requests from local School Business Managers, the WF SBM Network has been created to compliment the local SBM networks.

Its purpose is to provide a forum through which SBMs needs can be voiced regarding the guidance, support and issues they are facing collectively.

The Network agendas will be created in partnership with SBMs. Meetings are likely to include: updates and guidance from Council Services; training/development workshops; and 'clinics'.

Venue Waltham Forest Adult Learning Service (Queens Road Learning Centre), 97 Queens Road, Walthamstow, London E17 8QR

Name Education Business Support Service

BookingInfo

For queries or questions about the event please email Lindsay Jackson at

<mailto:lindsay.jackson@walthamforest.gov.uk>

Outline

The Education Business Support Service aims to raise the understanding of the importance of the School Business Manager role within schools in Waltham Forest; and support the continued professional development of SBMs across the borough.

Outcome

The Network aims to support SBMs' knowledge, capacity and continued professional development.

Audience School Business Managers / Bursars, etc.

Training Id 51628

Course code EBSS-0717-T002
