Description Understanding the role of the Designated Safeguarding Lead Professional and key areas of responsibility

- Understanding of the legislation and guidance underpinning their organisation's policy, procedures and practice when responding to concerns about a child's safety or welfare
- Ability to evidence compliance with Ofsted requirements to ensure all children are safe
- Ensuring that all staff in education settings are clear about possible indicators of 'abuse' and how these should be managed
- Awareness of the definitions of abuse and neglect and significant harm in order to make appropriate referrals for intervention
- Understanding the barriers that stop staff reporting concerns and how to overcome these
- Understanding of the processes followed by the MASH when a referral is made and the thresholds for intervention
- For the Designated Safeguarding Lead Professional to be actively involved in collaborative decision-making and the process for managing disagreement and or challenge
- Learning from serious case reviews
- Strategies to ensure that there are systems in place to monitor and evaluate outcomes for children who are in need or suffering or at risk of suffering significant harm

There is School DSL Refresher training (half-day) on Thursday 12 October for those who have previously attended DSL training within the last 2 years. Please make sure you choose the correct course for your needs.

If driving, please ensure you leave enough time to find a car parking space as these are very limited in the immediate area. Also, as a courtesy to other attendees and the training lead, please arrive in good time for a prompt start - if you arrive more than 15 minutes late you may not be admitted and you may be charged the full cost of the course (£100).
