

Prevention and Early Intervention Mental Health training

Date Fri, 22 Sep 2017 09:30 - 15:00

Description Day 1 will cover:

- How to identify children and young people (CYP) suitable to be referred to CAMHS.
- Measuring mental health and wellbeing in CYP.
- Introduction to using screening questionnaires with CYP to assess mental health needs.
- Self-harm assessment.

Day 2 will cover:

- Reflections on putting the toolkit and questionnaires into practice across different settings.
- Talking to CYP about their wellbeing.
- Children, families and schools: a systemic approach to young people's behaviour.
- Mentalisation-Based Treatment approach to working with parents.

This two-day course is also being run on 15th September 2017 and 29th September 2017 (these are the Day 1s), so please choose the date most suitable for you.

Venue The SCORE Centre (MAINH / Main hall), 100 Oliver Road, , Leyton, E10 5JY
