

Attention Autism (Two Day Course)

Date Fri, 26 Jan 2018 09:30 - 16:00

Description This 2 day course equips attendees with the skills to set up and run the 4 Stage Attention Autism programme. The training focuses on the practical aspects of intervention, working in a team and offering an irresistible invitation to learn. The Attention Autism programme targets the teaching of attention, communication and social interaction skills. Training is run applying the principles of the attention autism programme throughout each day. There are demonstrations of the techniques in action, films, practical hands-on experience for participants and ideas for activities. The intention is to share the practical skills needed for participants to feel confident in setting up and running the intervention immediately.

The workshops are run for groups of 25 people (with a maximum of 30 attendees), this is to ensure that the practical aspects of the workshop can be run in small groups making coaching and feedback effective.

Venue Whitefield Research and Development Centre (MAIN / Main room), Macdonald Road, Walthamstow, London, E17 4AZ
