

Governor Accreditation Programme - Level Two - Module Four, Five and Six

Date Thu, 07 Feb 2019 19:00 - 21:00

Description Level 1 - Foundation of Good Governance

Typically, it is expected that new governors will take 12 months to complete the 6 modules and 2 self-assessment booklets needed to be an accredited governor at Level 2. It is anticipated that some established governors may wish to undertake this programme in which case it will also serve as refresher training or 'continuous governor development' (CGD).

Level 1 examines the role and expectations of the modern day governor through the 20 key competencies set out in GAP based on the DfE's 3 core functions of governing bodies. There are three 2 hour linked training modules delivered over 6-8 weeks (autumn term) and a robust self-assessment booklet to be completed.

- Module 1 'Good governance - knowing my school'
- Module 2 'School data - what it all means'
- Module 3 'Keeping children safe - safeguarding and equality'

A certificate of induction will be awarded and enable governors to progress to level 2 'Accreditation'.

GAP Level 2 - Accredited governance

Building on level 1, this involves three further training modules, each lasting 2 hours. Governors will evidence how they contribute to effective governance and the impact of their work through their own school experiences.

- Module 4 'Driving school improvement in challenging financial times'
- Module 5 'Beyond the handbook - managing relationships'
- Module 6 'Ofsted - preparing for the phone call'
