

Specialist Leaders of Education (SLEs)

Specialist leaders of education (SLEs) are outstanding middle and senior leaders who have the skills to support individuals or teams in similar positions in other schools.

They understand what outstanding leadership practice in their area of expertise looks like and are skilled in helping other leaders to achieve it in their own context.

SLEs are deployed through teaching school alliances. There are currently 8 SLEs whose support can be brokered through the WFTSA. You need to log-in to download the full list below. Please contact [Jo Littman](#) for further information.
