

Changes to Occupational Health and Employee Assistance service offers

Changes to Occupational Health and Employee Assistance service offers

Following a thorough retendering exercise the Occupational Health and Employee Assistance contracts have been awarded to the current providers.

With effect from 1 April 2019 the new contract comes into effect and the attached letters, one for Maintained schools and one for Academies outlines what this will mean for schools.

There will be individual communications to schools outlining the revised costs of the services.

If there are any queries please contact Louise Constantine on 020 8496 4430 or Louise.constantine@walthamforest.gov.uk in the first instance
