Below you can watch a video kindly reproduced with permission from [Chingford CofE Primary School](#), which provides an example of a moderation session for <https://thehub.walthamforest.gov.uk/tags/teacher> assessment of writing at Key Stage 2.

The video session is designed to be very thorough to try to include a full range of discussion and evidence. As a guide 10 - 15 minutes is an average time for discussion of one case. The onus is on the <https://thehub.walthamforest.gov.uk/tags/teacher> to present the range of evidence that supports his or her judgments. One moderator uses the criteria provided by STA to record where evidence has been provided and the other facilitates the discussion.
