

Early Help Partners Practice Forum

About our service

The Early Help Service is hosting monthly multi-agency practice forums. Dates can be found in [The Hub's Events & Training section](#).

What we offer

There will be invited guest speakers and presentations from a range of organisations, an opportunity for you to network and spend the last half hour of every monthly practice session looking at cases that people want to share (anonymously) to get advice and support on.

Benefits of using our service

- Networking
- Sharing good practice
- Learning about other services
- Case discussion and support
